website: www.csr.co.ua*

The following writing guidelines must be adhered to:

1. UK English spelling.
2. Author(s) should supply a name and surname (Times, 12, bold, align left), Department/Institute/Association, University, Address (optional), E-mail (optional).
3. Author(s) should supply a title (times, 14, bold, centre, in all caps).
4. Authors(s) should supply an abstract of the chapter (150-200 words). Abstract should presented aim, main paper's thesis, stages of research task realization, used research's methods.
5. Author(s) should supply at least 5 keywords in accordance with JEL international classification system.
6. Author(s) should supply:
Subtitle (Times, 12, bold, align left)

The content of article (Times, 12, 1,5 line spacing, center, a tabbed intent at the start of each paragraph). Cited literature (Harvard style), should be written according to the template, they should be placed in the main body in brackets e.g. References should be placed at the end of the article, according to the template. Comments should be put in footnotes (at the bottom of page)- format of footnote (Times, 10, center, footnote, Arabic continuous numbering). Please apply all templates of tables, pictures, charts, diagrams, maps and general rules of formatting described in details in a further part.

Please, keep the layout consisting of:

- **Introduction** contains objectives and its substantiation, scope of article, stages (phases) of research, used methods.
- **Main body** consists of parts corresponding to the stages of the research mentioned in the introduction.
- **Conclusion**, consists of synthetic conclusions and potential directions of further researches.
- Please **don't** number parts of article and keep space between subheadings and first paragraphs of article (**pressed ENTER**).
- If there is no precise in different way on the web site, text should be from 10 to 12 pages long formatted according to editorial references.
- Articles will be submitted to scientific reviews, reviewer's opinion decides whether article will be published or not. All sent articles should comply with required novelty and relevance.
- We don't accept any publications submitted or already published in any publishing houses.
- The publisher reserves the right to make alterations, cuts in a text and changes of title without the author's knowledge.

Describing tables, pictures, charts, diagrams, maps (Times, 12)

- Arabic numbering 1,2,3, ... e.g. Table 1, Chart 1
- We suggest using term of 'picture' when referring to charts and diagrams.
- A list of literature should be started with the word **REFERENCES (TIMES, 12, BOLD, ALIGN LEFT, in ALL CAPS)**.
- References should be sorted by the authors' surnames, Arabic numbering, lack of a blank space between the lines.
