Centre of Sociological Research (CSR), founded in 2006. Its members are young scientists and experts in the field of sociology and economy.

The main goal of the organization is to increase the professional level and quality of sociological and economical research. Centre also deals with the local and regional development, as well as with the integration of Ukraine into EU.

The key areas of interest include:

- Creation of unions of young scientists and professionals from Central and Eastern Europe which have large experience in the field of social projects realizing.
- Development of integrated information and research systems/networks covering scientific achievements of East European countries.
- Migration policy of EU countries relatively to the national migration policy in the former socialist countries of Eastern Europe.
